

TOWN HALL

Government & Institutional Banking

Public funded organizations—cities, townships, counties, schools and more—can look to Union Bank for their financial needs. Union Bank has been a proudly local and independent bank since 1934, serving the communities of West and Central Michigan. Our Treasury Management and Retail teams are

dedicated to serving publicly funded organizations. We make it a point to truly understand our customers so that we are able to offer the best solutions that meet their unique needs. We are your committed financial partner, dedicated to the continued success of our makers, builders and growers.
