

Checkmarc Check & ACH Recovery Service

Checkmarc is a **FREE** service for your account that recovers dishonored checks and electronic payments. It eliminates the time you currently spend trying to recover dishonored checks, and makes accepting checks as safe as accepting cash or credit cards. With our **free Checkmarc program**, you can concentrate on your business, not collections.

Checkmarc’s benefits include:

- ✓ Receive 100% of the face value of all recovered items
- ✓ Receive email notification of dishonored checks as well as recovered items
- ✓ Access to a dedicated customer service team for all inquiries
- ✓ Access to a free, password-protected check-tracking website available 24/7/365

We are pleased to provide Checkmarc at NO COST to you. There is no equipment to purchase or contracts to sign. A welcome packet with your Checkmarc ID number, username and password will be emailed or faxed to you upon enrollment.

Notifications of bad checks and reimbursements will also be sent via email. Your email address will only be used for notifications and bank service updates.

Our Checkmarc program is another way we can work together to make you more profitable.

If you DO NOT wish to participate in our free Checkmarc electronic check recovery program, fill in the information below.
